Lynn -

Foreword

It's been great having you in Mrs. Landau's homeroom with me. Best of luck to you.

A lone Warrior, the "Spirit of Maine West," stands above the main entrance. This lone Warrior, his outstretched arms holding high the lamp of learning, is representative of the whole personality and character of Maine West.

The Spirit pervades everything that goes on at Maine West, from the cheering crowds at football games to the laughter in the halls and the intentness in the classroom; from the awe of freshmen to the tears of parting seniors. It is a glowing, growing Spirit that is created by the students and faculty, that gives life to the school, that believes in **The Maine Way**, that knows its strength but perceives its weaknesses. It is a Spirit that shapes the futures of Maine West students and stays with them the rest of their lives.

We have tried to capture that Spirit in the pages of this book by recording the significant and memorable events of this year: our first Homecoming under the lights, the expansion of the building, the outstanding performances of our teams and athletes, V-Show. Our pictures show the important part of the events—the people who made them—the spirit makers.

"Who are the Warriors? We are the Warriors!"

The expansion of the building was begun this year when the addition to D-wing was constructed. The field house would soon, too, be a reality.

THE GROWING

The lights for the football field were used for the first time this fall. The combined efforts of students, parents, and the Board of Education made the installation of the lights possible.

One of Dr. Short's many tasks is that of leading the other administrators.

This was Dr. Richard R. Short's second year as superintendent. This year concrete steps were taken concerning the district's future. Mr. Robert Wells moved from West to East to work with Dr. Short on the Maine North landfill and building.

Mr. Ralph J. Frost's position as assistant superintendent includes curriculum development.

As director of guidance, Mr. Merlin Schultz works closely with school Guidance Departments to improve student counseling services.

Mr. Harold Markworth is 207's business manager, who handles the budget.

District Administration Plans for Future

As assistant superintendent, Mr. Frost has a hand in hiring 207's teachers.

Part of Mr. Markworth's job is making up the district payroll.

Mr. Schultz is the district's coordinator of guidance.

Now at East, Mr. Wells is the new administrative assistant.

Mr. Herman L. Rider, Principal, takes time out from his many duties.

Growth is the key word at Maine this year. September saw the expansion of the administration. The position of assistant principal was split with Mr. Coburn placed in charge of staff and Mr. Cochrane in charge of students. Mr. Coburn came to us from South, where he was head of the Guidance Department.

Another noticeable sign of growth was the fall remodeling of the main office to make room for the new personnel.

You've been a good help to our school and to many of its students. I hope you keep up the good work. Rich Wilson

Art Stimulates Imaginative Thinking

The Art Department offers a variety of different courses at various levels to meet the needs of all students interested in this field. All courses, though, strive to instill in every student a better understanding and appreciation of the beauty in our world. Students gain experience in expressing their own moods and feelings through good design and craftsmanship and learn to see things with more depth and imagination.

Business Courses Prepare Students For Careers

The main goal of the Business Education Department is to give students a good background in certain areas of the business field. The courses offered are numerous and enable all students to learn and improve their business skills for their own personal use or as preparation for a career in the business world of today. Safety education, a required course, gives students a good background and working knowledge of the car itself and of proper driving attitudes. After a student has successfully completed this course, he is eligible to take driver education in either summer school or during the regular school year. Through driver education students can learn to drive under the supervision of a well-trained instructor who is more than capable of developing in every student good driving practices and respect for the rights of others, not only on the road but in everyday experiences and activities.

The study of a foreign language enables students to become familiar with the customs and traditions of a country other than the United States. Students learn about the political, economic, and social developments of each country that they study in relation to American development. The language courses also help students to gain skills in conversation and knowledge in grammar and literature.

Language Department Stimulates International Understandings

Understanding among individuals, groups, or nations depends greatly upon the ability to express views and communicate with one another. The English Department gives students a chance to read and listen to the works and beliefs of well-known authors and then to formulate their own ideas and opinions concerning the concepts presented. Class discussions, oral presentations, theme writing, and reading all types of literary works stimulate the development of both character and mind.

The Music Department hopes to develop in every student a feeling of self-discipline and pride in the music he performs, whether it be playing an instrument or singing. Through the music courses at Maine West students are given the opportunity to take part in groups, such as the band, orchestra, and chorus. Each of these courses requires a great deal of hard work, but at the same time offers much enjoyment for each individual.

Boys are able to participate in a variety of different sports within the Physical Education Department. They are taught the rules and regulations of each sport they play and gain a basic understanding of the skills involved. Many of the boys are able to join the "500 Club" by scoring higher than 500 points on the physical fitness tests that are given each year. They also may become involved in competitive sports through the intramural and interscholastic programs.

THE ACTIVE

Lynn—
 I don't really
 know what to say to
 you! You're one of the finest
 people I know. I can never thank
 you enough for getting me into campus
 life, or for your good influence on me, or for
 your friendship. You won't need luck - God will
 always be with you. You will always be dear to me,
 with the joy of life. Thanks for everything! God bless you always
 your son
 friend, admirer,
 and debtor.
 Phil Wilkey

The work put into the productions was well rewarded by the audiences' response.

Probably the most active organization in school is Student Council, which sponsors Homecoming and several other events.

Students Develop Communications

Maine's growing Debate Team continued increasing its success this year. Our teams competing on Novice, J.V., and Varsity levels have gained a position of respect in interscholastic debate. Maine Wet hosted its first annual debate tournament on February 24, 1968. Teams from 30 schools argued and discussed the resolution "Congress Should Establish Uniform Regulations To Control Criminal Investigation."

The Speech team, composed of students competing in interscholastic speech contests, worked to establish itself this year. Members worked on various type of speaking and interpretation, which they then presented for competition at several speech contests throughout the year. The ultimate goal of these students is to gain statewide recognition by winning district, regional, and state contests.

Faculty Tops M-Club 62-43 In Annual Game

M-Club slipped by the faculty's defense to score two points.

Faculty cheerleaders took every opportunity to cheer on the "old men."

On December 6 the faculty once again met the challenge of the M-Club in the annual M-Club-Faculty game. The M-Club members played a hard game but were out-done by the faculty, who, tired and puffing, claimed a 62 to 43 victory.

The large crowd was entertained by the play on the court and by the antics of the M-Club and faculty cheerleaders and Pom-Pon Squad. Members of the gymnastics team also presented a trampoline demonstration as part of the halftime activities.

Warriors fight to win in Maine's first Homecoming game under the new lights.

Homecoming '67 was held on October 13, and it proved to be one of the best at Maine West. School was dismissed early, and a special all-school assembly was held.

At the assembly a radiant Homecoming Court was announced—Diana Quinn, Carole Hway, Joan Beyer, Barb Basner, Delann Olson, Linda Larsen, Beth French, Linda Wells, and Sue Odom. This year the procedure for nominating the Queen and Court was changed to include nine semi-finalists instead of five. The Pep Club sponsored a contest for the cutest coach and awarded the title to Mr. Jobst.

Though the afternoon parade was postponed because of rain, the floats appeared between the sophomore and varsity games.

Under the new stadium lights, the varsity squad plowed over the Glenbrook South Titans 26-0 while the sophomores suffered a 9-6 loss.

Michelle Landry and her escort Eric Kinder were crown bearers for the Homecoming Dance, "Sound of Victory." The crowning of Queen Carole Hway provided a memorable close to Homecoming '67.

Concert Hails Christmas Season

Two toy soldiers march to **March of the Toys**.

This year's concert presented many new and interesting pieces. "The Toy Symphony" was performed with miniature toy instruments. Mary Ann Wallace and Diane Becker twirled through the "March of the Toys" from **Babes in Toyland**. A special bell choir was organized to perform the "Symphony of Bells." Pam Osburn composed an original song which was performed by a choral group under her direction. The Concert Choir closed the concert with many traditional Christmas carols. This concert did much to usher in the spirit of Christmas.

Christmas Formal Brings Blue Frost Enchantment

Though the blue and white lights have faded, "Blue Frost" will remain in the memories of many.

Eight seniors brought honor to Maine this year by being chosen as National Merit Semi-Finalists. These outstanding students were Melissa Amling, Geraldine A. Bokor, Steve Cornelius, Ann Jackson, Jeri Jacob, Peter Saxe, Phillip Schug, and Frank Schulz. The purposes of the National Merit Program are to identify students of unusual intellectual attainment and promise, to honor these students publicly, to help as many of them as possible to attend the college of their choice, and to provide a means for education and business to financially assist them. Mr. George Blanas, chairman of the Scholarship Committee for 1967-1968, made this comment concerning the semi-finalists. "The faculty, students, and community are proud of the achievement shown by the eight semi-finalists in the National Merit Scholarship Competition."

The eight Maine West students selected represented about one-half of one percent of the nation's graduating class.

National Merit Scholars

Jane Earns English Award

Jane Engle became only the second student in Maine West's history to be named runner-up in the annual Achievement Awards Competition of the National Council of Teachers of English. Jane was one of 800 finalists chosen from 8,000 English students representing schools from 50 states and American Prep schools abroad. Jane's essay, titled, "My Brother," gives her a chance to attend the college of her choice. Four other Maine West students—Bob Connelly, Don Maruska, Frank Schulz, and Frank Grange, were nominated for the competition last spring by the English Department.

LaBadie became the first Maine West athlete to win an individual State championship when he traveled to Champaign and won the two-mile cross country run over the hilly Urbana Country Club course. Lee also added the Individual Conference Championship to his credit and led the Varsity Squad to first place in the Conference meet and the CSL crown.

An even distribution of two backs and two linemen made up the Warrior delegation to the All-Conference football squad.

Quarterback Bob Banger and fullback Ken Werner were rated among the best in the league as were End Bruce Kaechele and Guard Gary Moranz.

Bob Banger, Gary Moranz, Ken Werner, and Bruce Kaechele—from the second place Varsity football team—and Lee LaBadie—from the Conference champion Cross Country Squad—were honored as All Central Suburban Conference during the fall sport's season.

After winning the in-school Penny Flame contest, Marilyn was able to compete in the Regional Bake-Off at the Northern Illinois Gas Company.

Coach Olson's varsity gridmen completed another outstanding season, compiling a Conference record of 5-1-1. Highlighting this successful season was the nomination of four Warriors to the All-Conference team, Seniors Bob Banger, Ken Werner, Bruce Kaechele, and Gary Moranz. Although the team finished second in Conference, their only Conference loss came from the hands of Maine South, who finished first.

The Varsity basketball team had a series of ups and downs this past winter. Coach Freeman's Warriors were plagued the entire year by injuries and illnesses. Because of the problems, the cagers were seldom able to put the same squad on the floor in two consecutive games. The situation finally reached a climax when four regulars were missing at one game.

Despite their problems the Warriors played a bustling brand of basketball. They defeated the Mid-Suburban champions, Wheeling, by one point, 55 to 54, and also downed area-ranked Morton, West, 56 to 52. The Warriors finished the season in a tie for fifth place.

The 1967-68 Varsity Wrestling Squad, under the direction of Coach Carlini, found the going a little rougher this year in the new Conference. Although it was not their most successful campaign, they did finish with a respectable Conference record. Next year's grabblers should have more depth with many returning lettermen and a fine group of Sophomores and Juniors.

Frosh — Sophs Show Promise

Although the Varsity Gymnastics Team completed one of the most disappointing seasons, it appears to have been a season for rebuilding a strong Conference contender for next year. One of the reasons for their dismal record was the return of only one letterman, Rich Suda. Next year promises a much better record with the return of many experienced gymnasts.

Front row: Mike Sims, Rick Danaster, Tony Kurtz, Victor Petik, Dave Gilbertsen, Rolland Steinert, Ken Bean, Tom Jackson, Robert McNabb.
Back row: Don Brennan, Gary Yeiser, Chuck Sulik, Rick Cordts, Tom

The 1967-68 Varsity Swim Team, under the expert guidance of new Coach Pete Andersen, finished the season with a three and seven record. Although new school records were broken and many first places taken, the team just didn't have enough depth to carry the team to victory. Skip Parent, a freshman, proved to be a strong point for the team and should have a promising future ahead of him. Dan Brinkman '68 represented West in State competition in both the 50 and 100-yard free styles.

Varsity Scoreboard

The 1966-67 Varsity Baseball Team, headed by Coach Al Carstens once again took Conference for the seventh consecutive year by compiling a respectable 17-3-1 season record and by placing first in the District tournament. With all teams looking good, the Conference championship this year will prove to be more of a challenge. Team potential is high with five returning lettermen: Bruce Kaechele, Kurt Felde, Harry Tistle, Bob Banger, and Ted Waskowski, as well as many good junior prospects.

Sophomore year means taking biology and driver safety. The school doesn't seem as big as it did last year, and there are not quite so many strange faces. Sophomore year is a good time to relax and have fun. The confusion of freshman year is over, but the college scramble has not yet started. Sophomores are in the middle of everything, especially their high school career.

Junior year is a milestone—upperclassmen at last. For many, this year is full of thoughts about college. Think about it! Take the college boards! Get those grades up! Attend College Night! Junior year is full of other things, too: Election Week, driver's training, the Junior Prom. Then there is always the thought, "Next year we'll be seniors."

Senior year at last. High school seemed to have gone too fast. "You Can't Take It With You," college entrance exams, college weekends, the last P.T.C. party all took place in one year. Soon came the question, "Will you march with me?" The Senior Prom, "Ours to Remember," was held at Henrici's; and the Dream Train transported the happy couples to Dellview, Wisconsin. On graduation night the Class of 1968 left Maine West to explore future horizons.

In Conclusion

We hope that this book has effectively captured the Spirit of Maine West. We would like to thank Mr. Bernie Callahan, representative of Taylor Publishing Company, and Mr. Walker, our sponsor, for their patient advice. Our thanks also to Bob Therriault for his many photographs, Gordon Shirling for artwork, Mr. George Hiltwein for the stadium picture on page 5, and Walinger Studio for the major portion of the photographic work.

The Spirit of Maine West does not stand still. It stays active and growing. May this spirit remain active and growing within all of the students of Maine West.

Another year filled with study, fun, and memories is over.

Work began on the library addition while the excavation for the new field house was begun in the back of the school.
